

On Step into Leadership you'll find six Leadership Capabilities. Leadership Capabilities are the behaviours that make up good leadership. The Leadership Capabilities are listed in the table below.

Read through the capabilities and tick the box to say whether you are already good at this capability or whether you would like to work on it.

Leadership capability	I'm already good at this	I'd like to work on this
Vision Having ideas about what things could be like in the future		
Creativity & Innovation Thinking of ways things could be done differently or better		
Collaborating & Influencing Making people with authority listen to me and work with me		
Self-leadership Thinking about my own leadership style and what kind of leader I am		
Motivating & Inspiring Helping others to be the best they can be		
Empowering Being in control of decisions about my support, and helping other people to be better leaders.		

Once you've decided which capabilities you would like to work on, go to Step into Leadership and start exploring the resources for these capabilities.
