

Leadership Capability Grid (LCG)

SCDHSC0334 Provide a home and family environment for individuals requiring care and support

Summary

The leadership capabilities and bullets in this LCG are based on the front line worker leadership capabilities and their themes of indicator from the [Step into Leadership website](#). The assumption within this LCG and level is that you can demonstrate leadership when you:

- work directly with children and young people/adults, families and communities
- contribute to team/collaborative work with colleagues and other professionals
- work with and supervise the work of colleagues
- carry out your roles and responsibilities, illustrating your knowledge of organisational practice and procedures, Scottish Social Services Council(SSSC), Codes of Practice and other legal and organisational requirements within your roles and responsibilities
- display leadership potential for your own managers and other professionals with whom you work

The Performance (P) and Knowledge (K) within the LCG from the National Occupational Standard are there as only as examples of where leadership can be demonstrated. They are not meant to include all possible performance and knowledge that may be used to demonstrate your leadership capability.
