

Leadership Capability Grid (LCG)
SCDHSC0042: Lead practice for health and safety in the work setting

Level 4 Summary

The leadership capabilities and bullets in this LCG are based on the manager leadership capabilities and their themes of indicator from the [Step into Leadership website](#). The assumption within this LCG and level is that you can demonstrate leadership when you:

- work directly with children and young people/adults, families and communities
- lead and contribute to team/collaborative working with colleagues and other professionals from within your own agency and across different agencies and organisations
- work with, lead and manage other workers
- carry out leadership roles and responsibilities, when evaluating and updating organisational systems, practice and procedures
- carry out leadership roles and responsibilities, role modelling best practice in the context of the Scottish Social Services Council(SSSC) Codes of Practice and other legal and organisational requirements within your roles and responsibilities
- display leadership potential for your own managers and other professionals with whom you work

The Performance (P) and Knowledge (K) from the National Occupational Standard within the LCG are there only as examples of where leadership can be demonstrated. They are not meant to include all possible performance and knowledge that may be used to demonstrate your leadership capability.
